Re: United States v. Dale Anthony Davidson, S1 18 Cr. 519 (JPO)

Dear Judge Oetken:

The defense respectfully requests an order extending the surrender date for Mr. Davidson from December 9, 2019 to February 10, 2020. The government does not oppose this request. The reason for the request is because Mr. Davidson's maternal grandmother, Donna Jones, was recently informed that her cancer has progressed to Stage IV and that she has approximately 60 days to live. This news has been devastating to Mr. Davidson. Mr. Davidson respectfully requests that the Court extend his surrender date by 60 days to allow him to spend time with his grandmother before she dies.

Attached as Exhibit A are true and correct copies of redacted medical records for Mr. Davidson's grandmother, and attached as Exhibit B is a true and correct copy of the Judgment and Commitment Order entered in this case. Thank you for the Court's consideration.

Sincerely,

James W. Spertus
Counsel for Anthony Davidson

SO ORDERED. Mr. Davidson surrender date is extended to 12:00 noon on February 10, 2020, and he shall surrender to the custody of the Bureau of Prisons at the designated facility where Mr. Davidson will server his sentence, or alternatively to the United States Marshal for the Southern District of New York in the absence of designation to a facility by the Bureau of Prisons.
